

Eligible postcodes for AGN's natural gas cashback promotions

Cashbacks are only available to eligible appliances installed in properties that are connected (or are in the process of connecting to) the natural gas distribution network owned by Australian Gas Networks (AGN).

The tables below can be used to determine cashback eligibility in Victoria, southern New South Wales, and Queensland. The maps provide an overview of AGN's presence in these states. In Queensland, AGN owns the natural gas network north of the Brisbane River.

AGN is the sole owner of the natural gas distribution network in South Australia and the Northern Territory so no postcode review is necessary for this state/territory (as long as the property is connected to natural gas and not connected to other fuel sources such as LPG/liquefied petroleum gas or LNG/liquid natural gas).
